Modernization of patent regime by CIPO with new Patent Rules

Canada Intellectual Patent Office has announced recently about the amendment in Patent Rules and notified that new Patent Rules will come into force on October 30, 2019. After this CIPO will become **fifth** administration of a WIPO IP treaty.

Three key points highlighted by CIPO on new Patent rules –

- More efficient process to secure a filing date
- Harmonized administrative procedures and formalities
- Modernized patent legislative framework
